Entry Level Front End Developer

WORK EXPERIENCE

Resume Worded, New York, NY
Entry Level Front End Developer 01/2015 – Present

- Increased search engine visibility for RW, averaging a 79% monthly increase in Q1, Q2, and Q3 2022.
- Hand-coded embedded stylesheets into existing Javascript interfaces that reduced load times by 120 seconds.
- Assisted in designing a payments system with Stripe Connect to process payments across 40+ marketplaces.
- Increased home page views to 1200+ daily from 90+ using SEO, A/B testing, and conversion rate optimization

Growthsi, San Francisco, CA
IT Support Engineer 06/2010 – 12/2014

- Reduced the resolution time from 20+ minutes to 55 seconds based on user performance analysis and error reports.
- Improved code quality via 4300+ code reviews, reducing $5000+ in annual application development costs.

VOLUNTEERING ACTIVITIES AND EXTRACURRICULARS

Resume Worded's Business Society, New York, NY
System Admin 06/2009 – 04/2010

- Resolved complex network and system problems within 90+ minutes after receiving client complaints.
- Transformed the company's web server from an obsolete Apache to a modern LAMP stack, improving site performance by 77%.

PROJECTS

Website Optimization & Conversion 05/2009

- Optimized website performance by boosting speed from 30 seconds to <5 seconds for mobile users above 100K.
- Created interactive designs that can increase site conversion rates by 98%.

Debugging and Reusing Codes 04/2009

- Invented a debugging tool that detects coding errors, which causes site display crashes on 10+ major browsers.
- Discovered that code reuse in JQuery libraries for projects with 15K combined page visits reduces 82% of development time.
