SUMMARY

Visual Designer with 3+ years of experience in brand identity, visual communication, digital design, UI/UX, marketing, packaging, and AI-assisted design. Skilled in developing cohesive brand systems and translating business objectives into clear, consistent, and engaging visual experiences.

EXPERIENCE

GoML (Neuralgo.ai)

Graphic Designer — *Mar 2025 – Present*

- Develop brand assets and visual systems across marketing, digital, product, and corporate communications.
- Design websites, landing pages, campaigns, presentations, social content, and UI/UX experiences.
- Translate complex AI and technology concepts into clear visual narratives.
- Drive AI-assisted ideation and production to accelerate creative development.
- Collaborate with product, marketing, and content teams to maintain brand consistency.
- Contribute to evolving the brand's visual language across digital and business-facing touchpoints.

Madhatter Creative

Graphic Designer — *Jun 2024 – Mar 2025*

- Developed brand identities, digital campaigns, UI/UX layouts, and marketing collateral for diverse clients.
- Translated business briefs into cohesive visual concepts and brand experiences.
- Designed websites, social campaigns, presentations, and digital marketing assets.
- Maintained consistent visual language across brand touchpoints.
- Delivered design solutions aligned with client objectives, brand guidelines, and communication goals.

Granny's Things

Graphic Designer — *Jun 2023 – Jun 2024*

- Developed digital and print creatives supporting brand communication and marketing.
- Designed packaging, labels, promotional assets, and brand collateral.
- Managed design projects from concept through final production.
- Maintained consistent brand identity across customer-facing materials.
